## Rajasthan Sociological Association (RSA)

XXVIII International Conference

## Globalization, Social Transformation and Development

(18-19 November, 2022)

Organizer

Department of Sociology  
Jai Narain Vyas University, Jodhpur

and

Mahila PG Mahavidyalaya  
Pratapnagar, Jodhpur, Rajasthan (India)

## Globalization, Social Transformation and Development

From the last three decades Globalization has emerged as a subject which had its effect on almost all the aspect of society. Globalization possesses diverse forms and it is quite difficult to restrict it in specific definition. There is no doubt in the fact that Globalization is the major cause of Social Transformation. Globalization had effected Development too. Globalization had given birth of several quires and questions. It has been a matter of research that up to what extent Globalization had affected Indian society and what are its effects on Development.

Usually it is settled that globalization has helped in developing a new outlook towards social problems. It has contributed in finding solution to various social problems along with its approaches towards solutions. This fact has also gained popularity that Globalization in itself is the cause of several problems. Globalization Social transformation and Development has been a subject of research and discussion among the Academic fraternity.

Problems like Increased consumerism, materialism, cut throat competition, terrorism, addiction to banned drugs, cyber crime, demographic displacement and nuclear family should be viewed under the reference of globalization. Several other subjects like changes in traditions customs folkways, shattering families, live in relationship, active participation of women

in economy, gender budgeting, should also be viewed under Globalization.

The International Conference titled **“Globalization Social transformation and Development”** will include discussion on all the above mentioned subjects by Academicians, Intellectuals, legal experts, social workers, sociologists and research scholars.

### The international conference will encompass following sub topics:

1. **Globalisation, Social Transformation and Development** Globalisation : ♦ Theoretical approach, Social Transformation. ♦ Reasons Development : Various Dimensions
